A proven record of transfer **SUCCESS!**

Highest success of all transfer students

UW Colleges students transferring to a bachelor's degree program have a 70% six-year graduation rate.

The professors are great here and I met new people from the area. My favorite memories are receiving a job in IT and winning the first round of the playoffs in soccer!

*Jack K., transferring to UW-Green Bay
Major: Geoscience Education*

I chose UW-Fond du Lac because it was close to home and allowed me to meet people from all over. I enjoyed performing in the choral and theater department.

*Kimberly F., transferring to UW-Madison
Major: Pre-Law*

Additional Opportunities for Students

Phi Theta Kappa (PTK) National Honor Society
