We believe life is too precious to be distracted by a bank.
Life happens. Banking Follows.
We wouldn't have it any other way.
Now that's nice personal banking.

¹ \$500 is the minimum balance to obtain APY.
² Monthly SC if account falls below the minimum any day of the cycle.
³ Transfers and withdrawals are limited to six per calendar month with no transfers by check, draft, debit card, or similar order to third parties. A service charge of \$2.00 will be charged for each debit transaction in excess of six.
⁴ A disbursement of all principal and accrued interest will be paid on the first Monday following the first Saturday of October each year. Any withdrawal before the disbursement date will cause the account to be closed and interest will not be paid.
